## Welcome to 2009, our Silver Jubilee Year.

It is with pride and excitement that we embark on 2009 and anticipate our new season.

With so much fun and success last year, we wonder how the coming year can be better, yet your energetic committee is working tirelessly to ensure 2009 will be a very special year with extra events adding colour to our normal activity.

A diary of events is attached though additional fixtures and happenings will undoubtedly be made.

Tickets for the Gala Dinner are already being sold so please do not leave it until the last minute before buying yours. We are anticipating a high demand.

**Congratulations** to Tim Danby who married Jenny on December 30<sup>th</sup>. Tim played regularly for The Bear with considerable success prior to going to university and we look forward to seeing him and meeting his new wife at our dinner in April.

## Winter Snooker.

More than half of the members are enjoying Richard and Rosemary's generous hospitality at the snooker evenings which run throughout the winter months. Richard Way is currently at the top of the ladder closely pursued by Adrian who is defending his title in a style that most of the rest of us can only dream about. Robert, an absolute beginner, is at the other end of the spectrum and has lost almost every game so far.

Anyone who has yet to sample the delights of these evenings is very welcome – as will a bottle of wine, being a donation to the bar.

## Congratulations also to Richard

whose firm, RDS, gained yet another amazing success at the Technology and Innovation section of the Growing Business Awards ceremony in London last month. His company won the award which was presented by The Right Hon. William Hague, M.P.

As with all award ceremonies, no-one knew the winner until it was announced. There appears to be no limit to the excitement at Chez Danby!

## COMING SOON – TO A COMPUTER NEAR YOU...

### **The Bear's Silver Jubilee Website.**

Don has used all his skill and ingenuity creating a special Silver Jubilee Website. It will have many surprises and will be launched in the very near future. Do have a look at it and try your hand at his challenge. (I am sure there is no truth in the rumour that Don will buy a drink for the first person to view the site!)

### **2009 Fixtures.**

The fixture list is attached and managers will be asking you very soon about your availability.

Organising these fixtures is a nightmare of a job and thanks go to Rosemary who has worked throughout Christmas trying to tie all the loose ends together. As always – an efficient and not-insignificant achievement.

### **Handicap changes.**

If your handicap has changed since the beginning of last season, please let Rosemary know ASAP.
